MEET HYDAWAY

We're not just another drinkware brand. The HYDAWAY difference is what our products do when you're NOT using them.

More practical and portable, HYDAWAY doesn't take up unnecessary space in your already-packed life or piling up in landfills.

NO2PLASTIC

WE BELIEVE the problems with single-use plastics are growing daily and we need to stop filling our landfills and oceans with plastic waste.

Since 2018, HYDAWAY has partnered with no2plastic.org to reduce single-use plastics one person, one business, one bottle at a time.
